2016 #SeeMyOH11 Photo Contest

Help me showcase what makes the 11th District the best location in the nation! Take a photo that captures its beauty, personality, and uniqueness. Then send to

SeeMyOhio11@gmail.com.

Photos will be posted on my [Facebook](#) page and featured on my [Twitter](#) and [Instagram](#) accounts. The public will then vote for their favorites with likes, shares, favorites, reposts, and retweets.

The two photos with the most social media interaction will be featured on my website, in my e-newsletter and as my Facebook/Twitter cover photo for the rest of 2016!

By submitting an entry, each entrant agrees to the contest rules and certifies his or her entry complies with these requirements.

CONTEST PERIOD

Photo submissions begin Wednesday, June 29th and are due to SeeMyOhio11@gmail.com by 11:59 p.m. (EST) on July 13, 2016. Online voting will begin July 19, 2016 and end July 24, 2016 at 11:59 p.m. (EST). Any likes/shares/favorites/retweets made after this time will not be counted. The winning entries will be announced online on Monday, July 25, 2016. Late submissions will not be accepted.

WHO MAY ENTER

Anyone from the 11th District may submit up to three (3) photos. You do not have to be a professional photographer or use professional equipment to participate.

PHOTO CRITERIA

We ask that photos fall into one or more the following categories: historic landmarks, tourist attractions, skylines, local gems, landscapes, cityscapes, restaurant tours and/or sports events. No selfies, please! All photos must be your own and taken in the 11th District within the last two years.

HOW TO ENTER

Each entry must include your name, address, telephone number, email address and (if applicable) your Facebook, Twitter, and Instagram usernames. Please also include the photo location, date taken, and names of any individual(s) captured in the photograph.

JUDGING

Photos will be screened prior to being posted online. My office reserves the right to exclude entries that are deemed inappropriate or do not meet the criteria for entry. Photos will also be judged on a five-point scale in three categories: (1) originality, (2) artistic merit, and (3) relevance to the contest. If more than 25 entries are received, only those with the highest scores will be posted for voting.

Good luck!
