May 17, 2012

Chairman John Kline
U.S. House Committee on Education and the Workforce
2181 Rayburn House Office Building
Washington, D.C. 20515

Dear Chairman Kline:

Recently President Obama issued an executive order aimed at stopping deceptive recruiting practices of schools that target members of the military, veterans and their families. We are writing to request that the Committee on Education and the Workforce swiftly hold hearings on this problem and consider any necessary legislation to address the issue. We urge you to move immediately to protect our soldiers, veterans and their families from deceptive recruiting practices of educational institutions. Their sacrifice warrants we do all we can to support our heroes and their families.

Sincerely,

George Miller
