

**THE OFFICE OF CONGRESSWOMAN MARCIA L. FUDGE**  
**in conjunction with THE CLEVELAND CLINIC**  
*invites you to a free program:*

## Striving for Better Care, Better Health and Lower Cost

Find out which option is right for you

Factors such as age and income determine eligibility for government health insurance programs. Congresswoman Fudge supported the Affordable Care Act so that millions of other Americans will soon qualify for subsidies to help pay the cost of private health insurance plans. Which is the right option for you? What new health benefits and savings can you expect?
